Dear Mr. Angelus:

Please accept my heartfelt gratitude for your past and continued support of the Damian Meehan Memorial Run, held annually in upstate New York to help commemorate the life of Damian Meehan.

Damian, a victim of the horrendous terrorist attacks that claimed the lives of so many on September 11, 2001, was 32 years old and the father to 1-1/2 year old Damian Jr. and husband to Joanne, who at the time was pregnant with their second child. This child, Madison, was born in January 2002.

We conduct this run annually to remember Damian in a way that is fitting: First, as a communal gathering to celebrate healthy living with a focus on family and friends, and second, as a nod to his top-quality athleticism, geniality and absolute sportsmanship. Damian spent his childhood and adolescent summers growing up in the Four Green Fields.

Your donation of New York Rangers and New York Yankees tickets have helped raise funds via raffle tickets. These funds in turn have been used to help support Damian's family and to help build a new children's playground.

I sincerely thank you for your assistance.

Yours truly,

James J. Boyle
